ABOUT NIT BHOPAL

Maulana Azad National Institute of Technology, or MANIT as it is fondly known, is an Institute of National Importance under the Ministry of Education, Government of India, nestled amidst the verdant hills of Bhopal. Established in 1960, the Institute takes pride in its rich legacy of producing world-class Engineers and Technologists who have made a mark in their respective fields. The campus is abuzz with a myriad of activities, ranging from technical fests to cultural events, sports competitions to various clubs, and everything in between.

ABOUT QUIZZERS' CLUB

The Quizzers' Club of Maulana Azad National Institute of Technology (QCM), is the official quizzing club of NIT Bhopal. It is a club where students from all walks of life assemble to exhibit their wit, wisdom, and flavour of learning. This club serves as a beacon of light, encouraging young minds to delve deeper and learn in a world where knowledge is power and curiosity is the fuel that propels progress. It is the irrepressible enthusiasm and thriving community, which has spread to numerous other institutions, including IITs and IIMs, are what truly set QCM apart.

ABOUT INTER-CITY QUIZZING CHALLENGE

The Inter-City Quizzing Challenge (IQC) is the flagship event of the Quizzers' Club NIT Bhopal, drawing students from over 150 schools across Bhopal, Indore, Gwalior, Jabalpur, and Ujjain. With nearly 5,000 participants in 2024 Edition, this competition is a vibrant display of knowledge and quick thinking.

The event features three rounds. In the first round, students compete within their schools, with the top team advancing to the City Championship. The second round crowns the City Champions, who then represent their cities in the Grand Finale, a thrilling test of wits.

Supported by esteemed sponsors like TATA Power, State Bank of India, MPSeDC - IT Center of M.P., M.P. Krishi Gramodyog, NTPC Limited, BPCL, LIC, Camlin, Civil Services Club, Canva, EaseMyTrip, POPxo, Cornitos, and Abhibus, the Inter-City Quizzing Challenge highlights the power of healthy competition and the value of learning, celebrating the intellectual prowess of young quizzers.

SCORING : +5 for each correct answer, no negative marking

SECTION D : Match the Following and Image-Based

NUMBER OF QUESTIONS : 10

SCORING : +5 for each correct answer, -1 for each incorrect answer

ROUND-2 TICKET TO THE FINALE

The first round will determine the top students from each participating school. These students will then come together to form teams representing their schools in Round 2. In Round 2, the student squads from the chosen school(s) will compete offline within their respective cities. The victorious team from each city will earn the opportunity to advance to the IQC finale.

ROUND-3 THE ULTIMATE ENCOUNTER

The expansive grand finale of the IQC is set to take place in NIT Bhopal, where champion teams from various cities will engage in a thrilling face-off. An experienced quiz master will officiate and assess the teams, offering them the opportunity to vie for captivating cash prizes and recognition. Emerging as the triumphant winners of the IQC will grant them the honor of holding the title and boasting their achievement.

NOTE: Exact dates for the City Qualifiers (Round-2) and the Grand Finale (Round-3) will be announced after the result of Round-1.

ELIGIBILITY

- The Inter-City Quizzing Challenge welcomes bright young minds from Classes 8 to 12, representing schools across Bhopal, Indore, Gwalior, Jabalpur, and Ujjain.
- Only individual participation is allowed.
- The challenge is open to students from all boards, including C.B.S.E., I.C.S.E., M.P. Board, and other recognized educational boards.
